

# Ms. Pac-Man, on Posing Nude for Playboy™

*by* Smiley McGrouchpants

"I don't see what the big deal is. I'm a grown woman — if I want to take my bow off and parade around starkers for all to see, that's my prerogative!

"Some of the men on the set were freaked out: 'She looks like a man!' Well, I'm still a *Pac-Man*, regardless of gender. I mean, what did they expect? With the pink bow gone, they couldn't rely on their usual sense of differentiation — I think some of them weren't very secure in their *own* manhood. Obviously.

"Hef was very supportive. He gave me a nice tour of the Playboy™ mansion and held a large banquet in my honor.

"Until I ate everything in sight, light I was clearing a maze. Then I got kicked out."
