

Pop Bottle?

by Steven Gowin

Who ever saw an open upright pop bottle on the street?

Who ever wanted to kick an open upright pop bottle seen on the street?

Who ever refrained from kicking an open upright pop bottle seen on the street because he knew the pop bottle had been left there filled with pee?

Who ever filled an empty pop bottle with pee and left it on the street full to be kicked by someone who saw an open upright pop bottle on the street?

Who ever kicked an open upright pop bottle filled with pee and left on the street?
