## Wonkie Eye

## by Steven Gowin

That Chelsea Watson, the *Seven at Seve*n anchor Yup wonkie eyeball, her left Would meteorology had been a better choice? Weather girl, mostly profile shots.

Mr. Jennings, high school chemistry Wonk on eyeball boy You'll be taken as perv that thing straying about An unhappy graduation.

When you find a butcher who still cuts meat A cow eye lifeless and pale A bit of bone flung by band saw, or pig blood squirt A butcher nevertheless.

The bad optical, crossed or dead or lazy or stray Spells malocchio, the evil eyeball Steer clear, cut it a wide berth, stay away The wonkie eyeball bids but ill
