

GUNS

by Tim G. Young

I'm gonna buy a gun,
I'm gonna buy a gun,
I'm gonna buy a gun,
and have a whole lot of fun.

Shoot people in the head,
Shoot people in the knee,
Shoot people I don't know,
that's what excites me.

Gotta have a pistol,
and an automatic too,
better get a shot gun
tear gas will do.

Innocent victims,
Innocent lives,
Nothing like the movies
easy to hide.

Bet they don't kill me
Bet they wish they could
Not gonna say I'm sorry
'Cause I'm no damn good.
